BULLETIN INFO DEADLINE: MONDAY

**What the Freedom of Choice Act (FOCA)
would do if it's signed into law?**

FOCA would eliminate regulations that protect women from un-safe clinics and unscrupulous abortionists, force America tax-payers to fund abortions and every state to allow partial-birth abortions, force faith-based hospitals to perform abortions and strip parents of their right and responsibility to be involved in their minor daughter's abortion decision. Next week, our parish will join Catholics across the country in signing postcards to our US Representatives and US Senators to urge them to oppose the "Freedom of Choice Act" (FOCA) and retain laws against government funding and promotion of abortion. Please participate . Your voice is needed to protect human life!
