## Question of the Week

**Question for Children:** How do you keep yourself connected to Jesus in your daily life?  
**Question for Youth:** Jesus is the vine & we are the branches, connected to Him as our life-source. When do you feel most connected to Jesus in your everyday life? How can you go there more often?  
**Question for Adults:** How does your own connection to Christ, the vine, affect your daily life? What image from this reading helps you see the importance of this connection to Christ

## TREASURES FROM OUR TRADITION

In Ireland and the United Kingdom, Mother's Day is over. "Mothering Sunday" was on the Fourth Sunday of Lent. Long ago, people were freed from work to travel on this day to the parish where they were baptized, their "Mother Church." Often, people were reunited with their mothers on this day. Employers would release their workers and servants for this visit. The American celebration, while based on this custom, really has to do with an anti-war movement of mothers in Civil War times. They crusaded for better sanitary conditions for their sons. When President Wilson instituted the first Mother's Day in 1912, it was a day to fly the flag in honor of mothers whose children had died in battle. Knowing the tradition is a good balance to our celebration today: we can enfold in prayer the mothers who have suffered the loss of their children in war.
