St. John Vianney Patron of Priests Feast Day—August 4

Universally known as the "Cure of Ars," St. John Mary Vianney was ordained a priest in 1815.

Three years later he was made parish priest of Ars, a remote French hamlet, where his reputation as confessor and director of souls made him known throughout Christian world. His life was one of extreme mortification.

Accustomed to the most severe austerities, beleaguered by swarms of penitents, and besieged by the devil, this great mystic manifested a imperturbable patience. He was a wonderworker loved by the crowds, but he retained a childlike simplicity, and he remains to this day the living image of the priest after the heart of Christ.

He heard confessions of people from all over the world for the sixteen hours each day. His life was filled with works of charity and love. It is recorded that even the staunchest of sinners were converted at his mere word. He died August 4, 1859, and was canonized May 31, 1925.

Catholic Communication Collection (CCC) Next Weekend

Through your generous donations, CCC is able to spread the gospel message in our community and all over the world. CCC funds the development of traditional and new media programs that inspire and minister to their audiences. Half of the collection from our diocese stays here to support local communication efforts while the other half supports national Catholic media initiatives. Please give generously in next week's collection to help us spread the Good News. To find out more about the work of CCC please visit: www.CatholicCommunicationsCampaign.org
