Mercy General Hospital

4001 J St—Sacramento

Wednesdays 6pm to 8pm

A grief and loss program open to anyone experiencing loss through death. Losing someone you love is extremely painful. Loss that goes unacknowledged or unattended can compound your pain. But grief that is expressed and experienced has the potential for healing that eventually can strengthen and enrich life. There is no right or wrong way to grieve but there are ways in which to make your grieving more complete and more positive. If you or someone you know would benefit from these sessions please call Nancy at 453-4552.
